

How to Find Payment History in Trended Data

Payment History will show in **'Trended Data,'** which provides answers to common supplement requests and questions regarding missed payments, payments made during forbearance or deferment and the date the payments resumed. Selecting **'Display Trended Data,'** will expand the Trended Data below each tradeline.

If you require a report of the payment history, select the **'Source'** link on the tradeline.

Screenshot I don't have?

After selecting **'Source,'** then Trended Data will display for each bureau separately, showing payment history for up to 24 months. Use Ctrl P to print the Trended Data/Payment History to a PDF.

In the example above, the borrower's mortgage payments were paused in April as shown by the \$0 for the **Scheduled Payment** section. The **Actual Payment** made each month is shown as well. Details of any payment accommodation plans can only be confirmed with the creditor - and not all creditors' reports include Trended Data.
